

## Financial Policy - 2025

1. Co-Payments, co-insurance, deductibles, and personal balances are due at the time of service regardless of who brings in the child. (This includes divorced parents, grandparents, older siblings, nannies, babysitter, etc.)
2. Well visits may be covered at 100% and in most cases do not require a co-payment. However, if you discuss/examine other medical conditions pertaining to your child within the same office visit, your insurance may require additional cost-sharing from you that you are responsible for.
3. For your convenience, we accept cash, checks and credit cards including Visa, MasterCard, AmEx and Discover. We do not accept postdated checks. Any returned check will result in a \$50 service charge and all future payments will be required to be cash or credit card.
4. **Insurance is your responsibility. You MUST present a valid insurance card at every visit.**
5. **We may make a good faith effort to verify your insurance network eligibility, however we are not responsible for obtaining or maintaining ID numbers, PCP status, or knowing all the policies of your plan.** Please note that if you do not present us with an active insurance card, you may be required to pay for the visit in full at the time of service.
6. If we are unable to confirm eligibility within 24 hours, any balances will be applied as a personal balance and collected from the account holder.
7. Claims denied by the insurance companies will be billed to the responsible party. If there are any questions you may dispute them with your insurance company.
8. Prompt Pay discount for cash/Self Pay patients. Effective January 1, 2015, all self/cash paying patients will be eligible for 30% "prompt pay" discount if the balance is paid in full on the date of service. No discount is available after the date of service.
9. We require a credit card on file for all accounts. Details on our credit card on file policy may be viewed here:
